Article 6

Every child has the right to life.

Governments must do all they can to ensure that children survive and grow up healthy.

Spotlight on

Internet Safety

As you are aware, yesterday all of the children have been involved in internet safety sessions with the Safe Schools and Communities Team from Dorset Police. We all had an informative day and the children have a better understanding of how to keep themselves safe online.

The internet is amazing. Children can play, learn, create and connect – opening up a whole world of exciting possibilities.

There are also risks, but by understanding and talking about the dangers, you can help keep your child safe online.

I have attached a leaflet with useful tips, information and links.

Please do read it and follow some of the web-links – you are very welcome to use a computer in school if you would like to.

Mrs Philps' Dragon Ride!

On Sunday 11th June, Mrs Philps will be cycling 140 miles in the Brecon Beacons as part of the MacMillan Cancer Support Dragon Ride. If you would like to sponsor her, please follow this link to her Just Giving Page, or sign up at the office.

We wish her every success in this incredible feat!

Wear Yellow Day

We will be supporting Forest Holme Hospice by wearing yellow on 15th June for a £1 donation. There will also be a cake sale after school. Donations of cakes gratefully received!

Ice Lollies

The School Council and the PTFA will be selling ice lollies every Friday after school. Don't forget your pennies!

Car Park

We appreciate that parking in our car park is not always easy, but please be considerate when parking and try not to block other people in. If this means you may be late picking up your child, don't worry as there will always be a member of staff available to look after them until you arrive.

The children in Key Stage 2 are delighted to announce their performances of Mystery at Magpie Manor will take place on Thursday 13th July (matinee and evening performances).

Tickets will be available shortly.
