Spotlight on Our Christmas Fair

Our Christmas Fair is fast approaching!

This week, the children have all brought home raffle tickets to sell. We are delighted that the money raised from the raffle will be match-funded by Barclays Bank so please try to sell as many as you can and return any unsold tickets to the office for us to sell at the Fair.

There will be many fabulous prizes on offer, lots of super stalls to buy Christmas goodies and festive activities for the children to enjoy.

We're hoping that we'll have a magical grotto too and maybe even a special visitor...

We have two non-uniform days planned (10th and 24th November) to collect items for the hampers and chocolate tombola - and our fantastic

PTFA are busy collecting special treats too!

Thank you very much for helping to make Christmas really special for all of the children in our school.

Children in Need

On Friday 17th November, our School Council would like us to come into school dressed in something spotty and bring a donation to raise money for Children in Need. They have also decided to hold a cake sale after school that day and are planning on ordering some small Children in Need items which will be for sale.

Please help us support this worthwhile cause.

Our Beautiful Gardens

Mrs Harrison would love to recruit a team of willing volunteers to help maintain our gardens. If you are able to support her with this she would be delighted to hear from you. You can contact her via the school office. Thank you!

Wonderful William

After 1426 doses of chemotherapy over almost four years, the Cury Atkinson family are thrilled that William has finished his treatment and, this morning, rang the bell at Southampton Hospital to symbolise this.

We commemorated this momentous occasion with all of the school standing in a circle and everyone ringing our school bell and clapping cheering.

We are all so proud of brave William, his incredible big brother Gary and his amazing and inspiring parents who have never given up hope.

Well done, William. You are a superstar!

German Club

Katie Caiger has kindly offered to run a German Club after school on a Thursday. Please see the attached for more information and let the office know if you would like a place.
